## Information

### Registration

Registration includes access to all sessions, the exhibition area, refreshments and lunch throughout the duration of the Study Day. All registered delegates will receive a copy of the Programme in their delegate packs which will be handed out at registration.

### Delegate Badges

Badges must be worn at all times during the Study Day to gain access to the lecture theatre, dining and exhibition areas.

### Cancellation and non-attendance

Please note that in the case of unforeseen circumstances requiring you to cancel your registration it will be possible to swap your registration with a colleague up until the day of the conference. If you cancel your registration less than 14 days in advance and you are unable to swap your registration with a colleague, we will do our utmost to find a replacement for you; if we are unable to do this, then a £50 cancellation fee will be due to cover the cost of catering. Any non-attendees on the day who have not provided a minimum 3 days' notice will be subject to a penalty fee of £150 as it is unlikely we will be able to replace your registration at this stage, leading to a less-than-full turnout on the day. This fee will also be used to recover costs.
